2011 Mowing Information

Anyone interested in volunteering for mowing the Knights of Columbus grounds this season please contact me or Sign up on the Signup sheet at the Club room bulletin board. The mowing season will be from April to the middle of October. Last year we had enough volunteers you only had to mow once a month.

Saturday April 9, during the K of C Spring Cleanup, we will be servicing the mowers. This would be a good time to get familiar with starting and servicing the mowers.

Thank You to all the Families who have planted trees, flowers, built fountains & structures to make Council 612 one of the best in the State of Kansas. Without all your volunteer help and time this would not have been possible.
