Brother Knights, it was a hot and long Saturday, but the tournament went on without a hitch. I want to thank everyone for coming this year and I am looking forward to the new format next year. Schoenchen #2 out lasted Pittsburgh in the championship game. They had to play 2 games to decide who the champion would be. The Dreiling's took 3rd place. For those of you that were wondering where the national tournament is this year it is in Cape Girardeau, Missouri on Labor Day weekend. The website address is:

<http://www.kofc1111.org/index.php/athletics/national-softball-tournament/national-website.html> .

As a result of all the feedback, next year we will be going to a TWO (2) pool bracket. We hope this will give competition and stay fun for everyone. The way it will basically work is you will play 2 or 3 games that will seed you into the pools and then we will play separate pool A and pool B tournaments. You will probably have a guarantee of 4 games with at least one game on Sunday. Have a great year and please help us pass on the new format to other knights councils and invite them to enjoy the weekend. If you would like to be included in any of the future emails just email me at tseverin@cox.net and I will be glad to put you on the list. Again thanks for reminding me why I do this every year. Tom Severin
